

7 95. The Maywood Police Department Field Training Protocol provided that no DOR
8 will be prepared when a trainee rides with a non-FTO; therefore, Mesa's DOR
9 criticisms of Densmore were contrary to the official policies of the Maywood Police
10 Department and constitutes further evidence of a conspiracy to violate Densmore's
11 constitutional rights.

12 96. Plaintiff is informed and believes and therefore alleges that Mesa was motivated to
13 join the conspiracy to violate [REDACTED] constitutional rights because Mesa had
14 been engaging in illegal sex acts with a female minor who, at one time, worked at
15 the Maywood Police Department as an Explorer Scout.

16 97. Plaintiff is informed and believes and therefore alleges that Mesa was shielded by
17 Leflar, Leach, Pine, Salgado and Moeller from a criminal investigation into
18 unlawful sex acts with a minor because he impounded an average of 100 cars per
19 month.
